

## REMARKS

The above-referenced application has been reviewed in light of the office action, dated January 31, 2006. Claims 1-4 have been cancelled claims 5-21 were withdrawn, and claims 22-29 have been added.

Claims Rejection

Regarding the Examiner's rejections, the cited art is overcome with the newly added claims. The cited art does not teach the elements depicted in the new claims relating to identifiers, comparing the status with respect to operating states, and napping a core based on an operation that is dependent on a memory operation.

Respectfully submitted,
